Up Coming Events/Meeting

- February 16-20 Vacation

This is a picture of three of the seven students that took part in the after school through Green Mountain Conservation Group (<http://www.gmcg.org/>). It was a multi school project that culminated in a big get together in Ossipee. GMCG advocates for clean water and has created a program that has kids burrowing around in streams, finding macro invertebrates, and then determining the health of the stream from the number and kind of critters they find. It is a great combination of getting wet and dirty, touching bugs, learning about ecosystems, applying scientific protocols to an activity, and of course we managed to have a couple of the kids make a spreadsheet to tabulate the results.

GIRLS SOFTBALL REGISTRATION

Coach Ed Gearity and Coach Bill Arnold have once again volunteered to lead our Girls Softball Team this year. Registration packets will come home this week with your daughter. If your daughter is planning on playing please fill out the registration form and send it back to the Rec. office ASAP.

What's new:

* MES Health Fair
Thursday, March 12th

Watch for more
details.

Coming soon:

Basketball
Tournament

Boys will play at
Tamworth

Girls will play at
Fryeburg Academy

Schedule to come
soon

SUMMER RECREATION

Summer Rec. packets will come home with your son/daughter the week we return from our February break. Please read over this information and talk about your summer plans with your family. Although it may seem early to be thinking about plans for July & August it's never too early to plan. Take advantage of this wonderful program. It's probably the best deal around!!! To make it easier for you I have made a payment plan. For more information call the Rec. Office or email me and I will discuss your child's summer schedule and get your son/daughter ready for a summer to remember.

Mike
