## From the Principal:

10 days and counting! Really? Who is counting? Trust me, these next 10 days will be filled with fun, laughter, projects, and great learning! We have classes going on field trips as they conclude their units of study; the 6<sup>th</sup> grade class going on their trip to Canobie Lake Park; the K-2 presenting their musical, *Three Piggie Opera*; Field Day for our entire school; and a graduation ceremony that will help us all wrap up this amazing year.

As you and your family count down, ask your children to reflect on their favorite parts of this year and their hopes and dreams for next school year. It is important to take time to listen to them and recognize that sometimes it is the littlest of things or events that have the biggest impact. These are the stories worth listening to and the memories that last a lifetime.

As we think forward to next school year, I would like to inform you of the classroom assignments approved by the School Board at last Monday's meeting. Please remember that a lot of effort goes into designing classrooms and the placement of students. If however, you would like to request a specific placement, please contact me with your request and we will do our best for all children.

Mrs. Woodward

## FUN DAY THURSDAY, JUNE 11<sup>th</sup>

The permission slip said we are done at 1:30-we are not- we will leave from King Pine by buses to return to school or home at 3:30.

Students that live along East Madison Road will be dropped off as the bus comes back from King Pine which will affect the time of drop off. All other students will be 10-15 minutes later than normal due to starting from King Pine. Those that are register for an after school program or are regularly picked up at school, will be brought back to the school.

Students should come to school that day in sneakers, with a labeled water bottle, labeled sunscreen and bug spray (if desired).

# Madison Swim Program

**2015 Madison Swim Lessons** will begin with sign up/assessment on Monday, July 6, from 2 to 4 PM at the Foot of the Lake. (Town Office if bad weather) This time is for those who do not have a valid certificate from last class completed, or if you do not know what level you are at, or need to know what time your level might begin. Classes officially begin on Tuesday, July 7, beginning at 2PM. The classes are ½ hour long each, and begin with the “little cuttass” in Level One. The program will run Mondays thru Thursdays until July 30<sup>th</sup>. Rain days will be made up on Friday and Monday the following week; same timeframe. No cost for Madison Residents. Folks must sign up at the Town Office if not attending the sign- up day on July 6. **You must complete the sign- up paperwork before attending any class!**

### Title I Tips

Be sure to stop in at the Madison Library this summer! You will find a special display of books that Title I purchased for parents and children to read together. There is also a reading guide with activities that go along with the books. It's a great way to spend a rainy day!

Attached are the Parents in the Know newsletter and a document with STEM (Science, Technology, Engineering and Mathematics) websites, resources and activities. There are many amazing things to learn and do in science and math!

Field Day is this Thursday at King Pine. Be sure to stop by the Title I table for free books! Madison Library will also have some summer information available. See you there!

**MES Students' last day of school is June 19.**  
**Please note that KMS & KHS students' last day is Tuesday, June 23.**
